

Shemini Answers

1. New Aera. The priests needed a whole week of preparation and time with God before serving
2. Atonement for their sin, offer an elevation offering (substitution for themselves), a peace and completion offering, then a rest (meal offering) fellowship with God with prayers and anointing
3. We need the blood of the atonement, the cleansings of our actions and emotions
4. Through obedience, sacrifice and prayers of the priest and prophet
5. A consuming fire accepting our sacrifices, followed by praises and humbling oneself
6. We need to serve God according to his ways in his time, submitted to the elders
7. We need to accept God's judgment, and serve him in joy even when hurting. We need to carry each other's burden
8. We need to serve God in true happiness not induced one. We need to serve in holiness

9. He could not rejoice with his loved one when disaster struck. Moshed accepted his point and shared his pain

10. We need to watch what comes in and out of our mouth, and sanctify God by spiritual discipline
